RHOMBUS UNIVERSITY
Building Pathways. Strengthening Communities.

EXECUTIVE SUMMARY

MEDI-CAL PEER SUPPORT SPECIALIST TRAINING PROVIDER APPLICATION

TRAINING EXCELLENCE
WORKFORCE IMPACT
COMMUNITY TRANSFORMATION

Establishing Rhombus University as a CalMHSA-Approved Provider of the 80-Hour Core Peer Support Specialist Training

PURPOSE

Approval will authorize Rhombus University to deliver the required 80-hour Medi-Cal Peer Support Specialist training used by individuals pursuing certification for employment in California behavioral health systems.

This strengthens our workforce pipeline, expands recovery-aligned services, and deepens our impact across partner organizations and communities.

STRATEGIC VALUE

- Establishes Rhombus University as a recognized behavioral health workforce training provider
- Creates an internal pipeline for peer workforce development
- Supports recovery-aligned service expansion
- Strengthens alignment with county and community behavioral health systems
- Positions Rhombus for future specialization training approvals

HYBRID INSTRUCTIONAL DELIVERY MODEL (RHOMBUS + ECTLC)

The program combines live virtual instruction delivered by Rhombus University with structured in-person skills labs hosted at East County Transitional Living Center (ECTLC).

FUNCTION	RESPONSIBLE ENTITY
Curriculum ownership	Rhombus University
Training provider approval	Rhombus University
Lead instruction	Rhombus University faculty
Skills labs / applied practice sessions	ECTLC host site support
Peer workforce exposure environment	ECTLC
Certificates and transcripts	Rhombus University

ECTLC participation strengthens workforce alignment credibility and provides real-world peer support exposure while maintaining provider approval authority with Rhombus University.
